Annual Celebration Returns!

The annual MHA holiday party is back. Clients, staff, board members and the SolMateo volunteers will gather on December 15 for a hot meal, dancing and visiting with friends along with an appearance by Santa, Mrs. Claus and their troupe of elves toting gifts for all.

This is made possible by Operation Reindeer, the longstanding MHA program underwriting this special day. You can help to make this possible by making a donation to the festivities. Visit mhasmc.org and note "Operation Reindeer" on your payment.

A message from Executive Director, Melissa Platte

As we look back at 2022, the year we started to return to normalcy post COVID, we breathe a bit more deeply and appreciate all the work we have done and the support we have received from you. There may be trying times ahead, however, it is important to note that our community partners have helped us to support more than eight hundred individuals annually, keeping them housed, providing food supplies, and other essential items, and keeping them from returning to homelessness. MHA continues to grow and expand our programs and services to meet ever-escalating needs. We look forward to sharing information about innovative programs in 2023 and introducing you to our incredible new staff. Thank you for your ongoing support. All of us wish you the absolute best of holidays.
